Diaz, Angelique has shared a OneDrive for Business file with you. To view it, click the link below.

 draft FY19 EOY with ECAD.docx

For the sake of time, I'm sending this to you. I was confused about what additions Lisa was making to the ECAD document and what were stand alone WD. I'm not sure if these will make the cut, but I'm sending them your way to expedite the review/decision making around them.

You'll see a separate tribal write up around 1pm – per my other email. Thanks,

Hi Angelique, thanks for looking at the paragraph that I added our info to (item #1). I hadn't realized that you reviewed this until I just opened the document.

The other two items are in ECAD's EOY writeup, and I included them in case you wanted to add something to them. You can discuss with Sarah how to go about that.

I'm going to go ahead and submit the first item to Sarah as it's due to her today, and I'll add some photos.

Thanks!

Thank you!

I added that info in the attached, with a couple of questions.

Do you also want to add info to the other ECAD items?
